The President's Corner

2020 has been a very hard year for us all. I don't know if most of you heard that I lost my sister 3 weeks ago. She had been diagnosed with MDS 12 years ago, and fought very hard every day of her life to stay alive. Beverly was a warrior, and I will miss her terribly for the rest of my life. The last day of her life we spoke several times, and she was pushing me to continue flying; we made plans for her to come down in the spring and fly on a buddy box. And it's for that reason that I am going to continue to fly, I will wear a necklace with Bev's ashes and she will fly with me.

I will also be running in the next election. I am very proud of what I have accomplished at the field over the past six years as your President and hopefully I will get your votes so I can continue to serve you. I don't know what 2021 will bring. We are planning an event schedule starting in March; a fund raiser for the Hepzibah House, and in April a fund raiser for St. Judes Children's Hospital. We are also planning a kids day sometime in June .

In case any of you were wondering we are still going to get our parking lot. Because of the Covid it was postponed. I've spoken to Parks and the Water District, and they both have assured me that once Parks finalize's their lease agreement our Parking lot will be one of the first items on the agenda to get done. We are still planning to replace the current container with a new one, as soon as this pandemic eases up. Let's hope that we all stay safe over the next year, wear your masks and continue to social distance.

See you all out there. Airspeed and altitude and luck you need at least two of these.

Palm Beach Radio Control Association Field Safety Rules
 Last Modified: 5/10/2012

All Members and guests must follow the AMA Safety Code as defined by the Palm Beach County Parks and Recreation Department.

In addition to the rules implied above, the following Club Safety Rules apply:

Section 1: General Rules.

- 1) Rule deleted.
- 2) Pilots MUST maintain an equal eye level when refueling.

Joe Cohen	Director	Joecopbrca@gmail.com
Bob Rembert	Director	

If you have questions, please contact any of the Board Members listed above.

From the Secretary & Membership Desk.....

This past year has flown by (no pun intended) and here we are again getting ready for Board of Directors elections. If you haven't already thought about serving the club as an Officer or Director, now is the time. Nominations are currently being accepted by me via e-mail at ellenhpbrca@gmail.com. Once you put your hat in the ring, you must submit a brief resume to me via e-mail no later than January 15, 2021. The resume should include your professional background, your RC experience and how your experience would be beneficial to furthering the goals of PBRCA. If you can attach a photo, this would be most helpful inasmuch as members often know others by sight at the field and not by their full name. The resume will be sent to all members via e-mail so voters can make an informed choice. Elections will be held at the field on Saturday, February 13, 2021 at 10:00 a.m.

Needless to say, you must be a current member of PBRCA to be on the Board, but equally as important, only those that are current members can vote.

I encourage you all to check your membership card and if has expired, or is about to expire, please support the club and renew. As a reminder, your club membership expiration is tied to the expiration date of your AMA card. And only if you have a two year AMA membership can you get a two year PBRCA card. Online renewal is the easiest way to go. Simply visit the website palmbeachrc.com and submit your application using PayPal or a credit card. If you so choose, you can always print an application and mail it with a check to the PO Box on the application.

I look forward to seeing you all at the field.

As always, stay safe and most importantly, stay healthy everyone.

Ellen Hoffman

Secretary and Membership Chair

OFFICERS & DIRECTORS - REPORTING IN!

Chris Lavin - Treasurer

For information regarding the treasury report please contact our Treasurer, Chris Lavin; e-mail: chrispbrca@gmail.com

NOMINATIONS FOR 2021 PBRCA DIRECTORS

Nominations for directors are now open.

Any member may nominate another member or him/herself.

Nominations will be accepted by email to the secretary, or nominated at a member meeting.

This year, there are **FOUR** director positions open.

After a person is nominated as a director, the Board of Directors requests that each nominee write a short paragraph concerning their professional background and RC experience. This paragraph will be distributed on the club email system, so the membership will have some knowledge of the nominee's qualifications for the Board of Directors.

The election of directors will take place via paper ballot at the field on Saturday, February 13, 2021 at 10:00 a.m.

Nominations will be accepted at the following email address:

ellenhpbrca@gmail.com

Ellen Hoffman
Club Secretary and Membership Chair

NEWS AROUND TOWN!

Club Membership Renewals:

You **MUST** have a current AMA membership card to fly at Westervelt Field. This is a requirement of the Palm Beach County Parks & Recreation Department.

Also, please note that we will not create your PBRCA membership card unless you have a current AMA membership card. The Club Membership form is available on the PBRCA web site, this newsletter, or at the field in the press box.

Looking for an "Event" in the area, or across the country? What about a club meeting or registering for an event? Are you hosting an event? Want to learn about an event?

Find it all and do it all, for free, at RC Flight Deck!

Check it out at: <http://www.rcflightdeck.com>

Chris Lavin
Chief Flight
Instructor

From the Flight Line

The Palm Beach Radio Control Association has instructors offering **NO CHARGE** lessons to members interested in learning how to fly radio controlled aircraft.

INSTRUCTOR/TRAINERS:

FIXED WING (AIRPLANES)

* Chris Lavin	321-279-4289
Joe Ramos	561-252-5189
Ricardo Ralmondo	954-470-8485

ROTARY (HELIS, DRONES)

Rich Schultz	561-379-3116
--------------	--------------

If you would like to volunteer to be a trainer please contact our

* Chief Flight Instructor: chrispbrca@gmail.com

If you require training, please call one of the instructors and arrange to meet.

TRAINERS ARE NOT RESPONSIBLE FOR DAMAGE TO YOUR AIRCRAFT

www.palmbeachrc.com

IMPORTANT CLUB NEWS

The Club Membership/Renewal application is available in this newsletter (on page 20-21); in the 'Press Box' (at the field) and online, at our website. New members and renewals must complete (and sign) the two page application with your payment; or (NEW) PAY ONLINE at:

www.palmbeachrc.com

Also, check our website for the club Membership Application!

Club E-mail Notifications

You should be receiving e-mail notifications for the monthly general membership meetings and semi-annual newsletter publication. If you are not receiving our e-mails, please let Ellen know (e-mail: ellenhpbrca@gmail.com) your e-mail address and we will update our records. If you want your name & phone number removed from our website list, also contact Ellen at: ellenhpbrca@gmail.com

Club e-mails will come from:

pbrcagroups@gmail.com

FAA sUAS REGISTRATION

All sUAS (small Unmanned Aircraft Systems - (0.55 lbs. up to 55 lbs.) pilots must register with the FAA. For more information and registration online go to:

<http://www.faa.gov/uas/registration/>

Photo Corner

This photo was submitted by:
"brooklyn joe"

Does anyone know the name of this Military Aircraft ?

FOR MORE INFORMATION SEE PAGE 17

FIELD SAFETY TIPS:

1. **Please do not linger on the runway when picking up your airplane.** It is important that you vacate the runway as quickly as possible as long as its safe to move your airplane.
2. **Do not park your airplane on the main taxiway,** as it makes it difficult for pilots to taxi out to the runway and to taxi back after landing. Many parked planes have been struck on the taxiway. Be smart, park elsewhere.
3. **When crossing the runway,** please make sure that you get an acknowledgement from all active pilots (in the pilots' box) that it is ok to cross the runway. Do not walk diagonally across the runway; always cross perpendicular to the runway for safety.

You must have a current, 2021
AMA Membership Card to fly at
Westervelt Field after January 1, 2021

PG RATINGS: * MUST SEE VIDEO * PRETTY GOOD VIDEO * OK VIDEO

Palm Beach County has previously established “flying” boundaries and we need to adhere to those restrictions. There is an aerial map showing the boundary lines for west & south flying and it is posted in the bulletin board located at the “impound”. Our club has already been warned about flying over the Everglades by a Federal Wildlife Officer. You must fly within the designated boundaries!

The 'FIELD SAFETY RULES' (rev. k) can be viewed here:
http://media.wix.com/ugd/e50535_48e41b68e210474aa92c5af389be5d8c.pdf

SAFETY FIRST!

As the park gets more and more popular, we are going to see more and more patrols by the Sheriff's Department. The park speed limit is **25 mph and stop signs, mean STOP!** Do not risk an expensive ticket by becoming complacent. Also watch for 'flying saucers' (frisbees) ! Save your money for a new plane, battery, servo or radio.

Slow Down & Stay Safe!

HOT - OFF THE NEWSWIRE

Palm Beach County Rules are Still in Effect!

NATIONAL MUSEUM OF THE UNITED STATES AIR FORCE

The **National Museum of the United States Air Force** (formerly the **United States Air Force Museum**) is the official museum of the United States Air Force located at Wright-Patterson Air Force Base, 6 miles (9.7 km) northeast of Dayton, Ohio. The NMUSAF is the oldest and largest military aviation museum in the world, with more than 360 aircraft and missiles on display. The museum draws about a million visitors each year, making it one of the most frequently visited tourist attractions in Ohio.

ACADEMY OF MODEL AERONAUTICS

*Your Passion. Your Hobby.
ONE COMMUNITY.*

Dear members,

The [FAA released the final rule for Remote ID](#) on December 28, 2020. AMA's legal and government teams are carefully reviewing the 470-page document. Please allow us a few days to do a comprehensive review so we can provide members with an accurate and clear assessment as well as possible next steps.

Thank you,

AMA Staff

Safety and Knowledge Test

On October 5, 2018, the FAA Reauthorization Act of 2018 was signed into law. It included a requirement for all recreational UAS users to pass a safety and knowledge test in order to operate a recreational model aircraft within the National Airspace System (NAS).

AMA has worked closely with the FAA to ensure that this upcoming test will meet the intent of Congress without placing an undue burden on our hobby. In the spring of 2019, AMA met with important stakeholders and the FAA, chairing a roundtable discussion to lay out the guidelines and administration of the safety and knowledge test. In September 2019, AMA sent a request for information to officially declare our interest in becoming a test administrator. AMA is advocating that the test be available both online and in a written format at fixed locations, such as an AMA site, to ensure that all members are easily able to take the test.

The test will have approximately 25 multiple-choice questions about basic safety guidelines and recreational flying knowledge. If a member misses a question, he or she will be able to go back and reselect an answer until the response is correct. This way, the test is failproof and guarantees that every recreational user will be able to complete and pass the test. It is important for everyone to understand that this test is designed to bring safety awareness to the airspace and not to exclude recreational users from operating in the NAS.

AMA expects to have the test-taking process outlined by the end of 2020 or early 2021 as part of Advisory Circular 91-57C. In the meantime, AMA will continue to work with the FAA and keep its members updated on the process. If you have any questions, contact the Government Affairs team at (765) 287-1256 or amagov@modelaircraft.org.

FAA REGISTRATION

Effective February 25, 2019, the FAA Interim Final Rule (Part 48) requires ALL unmanned radio controlled aircraft PILOTS flying unmanned aircraft weighing more than 0.55 pounds and up to 55 pounds (airplanes, helicopters, jet turbines, drones, quads, etc.) to register with the FAA and affix their assigned FAA Registration number to the 'EXTERIOR' of EVERY aircraft that they fly.

FAA Registration website:

<https://faadronezone.faa.gov/#/>

TIPS & TRICKS

AFFIXING YOUR FAA REGISTRATION NUMBER TO THE EXTERIOR OF YOUR AIRCRAFT

The FAA Temporary Interim Final Rule (Part 48) effective February 25, 2019 does not specify a size or location for affixing your FAA number to the outside of your RC Aircraft.

Custom 'water slide' decals: You can purchase water slide decal paper for your home printer and make custom water slide decals in any size, any color and any font that you want. They can be placed anywhere on the exterior surface of your aircraft.

Permanent Marker: You can purchase permanent markers in a variety of colors and write your FAA & AMA numbers on the exterior of the aircraft. Or write it on clear scotch tape, or packing tape and create a 'removable' label for when you sell the aircraft.

Masking Tape & Marker: You can purchase masking tape in different sizes (width) and create a removable label with a marker pen.

Vinyl Decals: You can purchase custom made press-on vinyl decals in a variety of colors, sizes and fonts (I know a 'guy' at the field)!

The FAA Registration number is registered to **YOU**, the pilot, and that registration number must be applied on the exterior of ALL of your aircraft.

You can apply the FAA registration number anywhere on the exterior of the aircraft, including the back of the propeller, underside of the wings or elevator, or below the elevator on the fuselage if you don't want it to be prominent.

Ps - If you have an FAA Part 107 license (Commercial RC pilots), you must register EACH aircraft separately and put the unique registration number assigned to that aircraft on only that aircraft.

Get **FREE** 'AMA Membership'!

GET THREE (3) NEW AMA MEMBERS OR 3 EXPIRED MEMBERS TO RENEW and ENTER *Your AMA Number* ON THEIR AMA APPLICATION AND GET A YEAR OF FREE AMA MEMBERSHIP FOR YOURSELF. ONLINE APPLICATION OR PAPER (MAILED) APPLICATION!

Palm Beach Radio Control Association

You must have a current Academy of Model Aeronautics (AMA) membership (which provides you 2.5 million in insurance), to join the Palm Beach Radio Control Association.

MEMBERSHIP WAIVER

Palm Beach Radio Control Association (PBRCA) Complete this REQUIRED form ONLY if you are an adult ADULT (18 and Over). *If applicant is under 18 waiver must be completed and signed by parent or legal guardian.*

REQUEST, RELEASE AND WAIVER OF ALL CLAIMS AGREEMENT

I, PRINT FIRST & LAST NAME, hereby request that the Palm Beach Radio Control Association (PBRCA) allow me the privilege of flying radio controlled aircraft at Westervelt field. I have been informed of and I know the risks and dangers involved in the operation of radio controlled aircraft, and that unanticipated and unexpected dangers may arise during such activities and I assume all risks of injury to me and my property that may be sustained in connection with the stated activities, including, without limitation, the potential crash and loss of my aircraft and its on-board equipment and personal injury.

In consideration of the permission granted to me to participate in the stated activities, I do hereby, remise and discharge PBRCA, board members and volunteer flight instructors in the stated activities of and from all claims, loss, damages, demands, actions, and other causes of action of any sort, for injuries to person and/or property during or as a result of participating in any of the activities contemplated by this Agreement, whether such loss, damage, or injury results from the negligence of PBRCA, their officers, board members, volunteer flight instructors or from any other cause.

I represent and certify that I am over 18 years old, and that I am a member in good standing of the Academy of Model Aeronautics (AMA), or parent or legal guardian of minor applicant.

I HAVE READ, UNDERSTAND AND AGREE TO THE FOREGOING REQUEST,

IMPORTANT – Please Read: All applicants should be aware and understand that the activities involved in the flying of model airplanes and helicopters are not without some degree of hazard. Therefore it is the obligation of all members and guests to abide by AMA, PBRCA, and common sense safety guidelines to minimize these hazards and to assist the PBRCA Board in their attempt to provide a safe environment for all members and visitors. The PBRCA club, its Board of Directors, individually or collectively, will not be held liable for incidents involving injury or property damage, including, but not limited to, loss of aircraft. By submitting this membership application, you hereby acknowledge and accept these conditions.

APPLICATIONS WILL NOT BE PROCESSED UNLESS ALL REQUIRED FORMS, DOCUMENTS AND PAYMENT ARE SUBMITTED AND COMPLETED CORRECTLY.

SAFETY RULES: http://www.palmbeachrc.com/PBRCA_safety_rules_revH.pdf

I have read the updated PBRCA "Safety Rules" and agree to abide by all the safety rules, including those rules & restrictions posted by Palm Beach County.

AMA NEWSLETTERS

Did you know that your Academy of Model Aeronautics membership includes a wealth of information, and it is available for free, at the AMA website.

An area that may be of interest to you is the 'publications' tab on the main website page: www.modelaeronautics.org; and in particular, the '**Media Minute**' and '**Roto Report**' newsletters.

You can subscribe to any of the newsletters and get them delivered right to your e-mail inbox, as soon as they are published.

Media Minute is a new electronic newsletter that is designed to give you a quick look at stories you might have missed from Model Aviation and other media channels.

Roto Report is an e-mail newsletter that is specifically focused on model helicopter and multicopter enthusiasts and features content from Model Aviation magazine, as well as AMA's other media outlets.

AMA Newsletters

As a part of AMA's ongoing effort to promote the hobby, we have multiple newsletters that go out to members and non-members. *Cloud 9* keeps Patrons of the National Model Aviation Museum informed on developments, acquisitions, and educational elements with the museum. The *Nats News* is a daily publication of the National Aeronautics Championships. *AMA Today* is a bi-weekly newsletter to the membership. *Flightline* is a youth focused newsletter. *Ground Control* exchanges information between chartered clubs and AMA officials. *Media Minute* is a membership newsletter that features articles from our magazine *Model Aviation*. And *Rotor Report* is our bi-monthly newsletter focused on the multi-rotor community.
